

## FACE COVERING REQUIRED

Dear Valued Customer

To help protect our employees and community members, all visitors and guests must wear a face covering that covers the mouth and nose, at all times while at Nelson Farms. This requirement does not apply to children under the age of 2 or to individuals who are unable to wear a face covering due to a medical condition.

Nelson Farms employees are required to wear face coverings, and we are asking that our visitors do so too. We know some customers may find this inconvenient or objectionable, but under the circumstances, we believe the added safety is worth any inconvenience. This is not simply a matter of personal choice; a face covering protects not just the wearer, but others too.

In short, we believe this is the right thing to do under the current circumstances. Although some may disagree with this policy or question its effectiveness, we're choosing to err on the side of safety in our shopping environments and **we reserve the right to refuse service**. As part of a community, we believe this simple act of safety and courtesy is one that we can undertake together.

If you decide that wearing face mask is not right for your shopping experience we invite you to visit our website at <https://nelsonfarms.org/>

Thank you in advance for your understanding and cooperation.

Thank you,

Jennifer Bowden  
Executive Director
